FACILITY USE POLICY AND REGULATIONS

Sammamish Hills Lutheran Church (SHLC) welcomes the opportunity to make our facilities available for your use. This is God's house and we ask that you respect that fact in your use of the site, building, and properties.

As Christians we desire to share the gift of our facilities with our neighbors to promote religious, educational, social services, and other character building experiences and functions.

Before making application for facility use, the person(s) signing the application for the user group must read each of the following regulations as well as the section on user group liability. Only person(s) authorized to act on user group's behalf may sign. If there are questions about any section of this document, please contact the church office for clarification before signing. A copy of the regulations and application will be sent back to the user group for their records once approved. If your plans change and you will not be using our facility, please notify us, in writing, as soon as possible.

Following are the regulations for use of the facilities:
